

Mints with Color and Mouth Watering Flavor

You want everything to be perfect for your wedding. Wedding Mints provide an elegant, flavor packed addition to your celebration with a unique design and personalized imprint. Choose stock designs or create your own using a combination of your favorite photos, graphics and text!

Made fresh daily using the highest quality ingredients, they're available in a variety of mouth watering flavors, enveloped in shiny or pearlized wrappers in popular colors.

They can be designed to compliment your wedding décor and used for rehearsal dinners, banquets, and receptions as after dinner mints. They can be used as shower favors, and added to out of town and wedding party gift bags. The possibilities are endless!

The rich and creamy flavors are so good that your guests are sure to want more than one serving! Look inside for details!
